2. The following suggestions based on the comparative study of the Civil Services Regns, 5th Edn. (corrected up to the 317 list of Amendments) are put up for orders.

They do not deal otherwise than indirectly and incidentally with matters relating to recruitment promotion, Official duties, discipline, or the like	1	(a) These Regulations ..... earned by ~~Service~~ Officers holding substantive appointments under the Govt of ~~H~~ H the Maharaja of Mysore ..... the like.

	The rules which apply to the ordinary civil Establishments of the State apply also to Officers employed under the Military and Marine Departments and under Local Govt whose service does not qualify under the Army or Marine Regulations. The rules in Part VII apply to all Officers in the service of the British Govt.		There are no corresponding provisions in M.S.R.

3. The Articles 1 & 2 of C.S.R read with Art 1 of M.S.R suggest the following ~~passes~~ amendments:—

I

A. 1) the phrase "offices holding substantive appointments under the Govt of ~~H.H.~~ the Maharaja of Mysore" ~~occurring~~ occurring in lines 3 & 4 of Article 1 (a) M.S.R will have to be replaced by the corresponding phrase in Art 4 of C.S.R, viz "Service in the Civil Departments of Govt".

In view of a number of temporary appointments now existing P.W.D. Railway Depts for an indefinite period of time; the amendment suggested appears to be necessary as the word "substantive" excludes "temporary" & conse-

consequently the provisions of M.S.R cannot be applied to Officers holding only temporary appointments sanctioned for an indefinite period of time.

5. The introduction of the 'Civil' restricts the scope of the application in as much as service in the Military Deptt is excluded.

6 In matters relating to salaries, the leave + the leave allowances, the conditions of service in the Military Deptt are regulated by the standing orders applicable to the Regiments i.e S.O's of ~~Imperial~~ I.S. Regiment + I.S Regiment and it is a question whether there is any standing order for the I.S.T Corps. In matters relating to the pensions + travelling allowances the conditions of service in Military Deptt are regulated by the provisions of M.S.R.

2) the phrase "conditions of whose service in respects to these matters are not defined in the Standing Order of particular departments ~~I.S. & I.S Regiments~~ issued under the Authority of the Govt of ~~H~~ the Maharaja of Mysore' will have to be substituted for the corresponding phrase occurring in lines 6 to 8 of Art 1(b) M.S.R

3) A new Article 1A may be introduced as follows:-

Civil Establishments of the State apply also to civil Officers employed under the Military & Mica Deptt and under the Local Boards & Municipal Councils ~~whose~~ the conditions of whose service are not defined in the Standing Orders of the Military Deptt & Local Boards & Municipal Regulations & the rules issued thereunder. The rules in Part VII apply to all Officers in the service of the Govt of ~~H~~ the Maharaja.

¶ This article is on the lines of Art 2 of C.S.R & will in a great measure facilitate the applications of the provisions of the Mysore Service Regulations in matters relating to the conditions of service in the Establishments under the Mysore Economic Conference, L.F. & Munl. Establishments.

As the M.S.R contains rules relating to

A. temporary appointments & also to the Main Civil Departments - & as we have Separate No Military Regulations, it is suggested that the word ~~Civil~~ 'Substantive' in line 3 of article 1 of S.R may be omitted.

Right of changing or interpreting Rules

12. In Art 4 of C.S.R or 2 M.S.R, the power reserved by Govt either to change or interpret rules is specified. But this power does not specifically extend either to changing or interpreting the rules relating to travelling allowances.

13. It is a question whether the term 'allowances' in line 1 of paragraph 2 of Art 2 M.S.R includes travelling allowances. As at present understood it does not include.

14. Again in the contracts for service in the Mysore State area, it is a matter for consideration whether it should not be noted under this Art (ie 2, M.S.R) that the power reserved by Govt under this article should be specified in such contracts by parties who do contracting on behalf of the State and that Govt are under no liability to compensate Officers for the indirect or remote effects of all administrative reforms beyond what is specifically provided for in the Regulations.

NOTES AND ORDERS.

Financial Asst Secretary's note of 11.4.14

72 After a careful comparative study of the C.S.R (Civil Service Regulations) and the M.S.R (Mysore Service Regulations) I find that certain articles in the C.S.R may be introduced into M.S.R with advantage as

S.No.	Civil Service Regulations: No. of Article	Provisions of the Article	Mysore Service Regulations: No. of Art.	Provisions of the article
1	33	**Local Fund** – The Expression "Local Fund" denotes :– (1) Revenue administered by bodies which by law or rule having the force of law come under the control of Government whether in regard to the proceedings generally or to specific matters such as the sanctioning of their budgets, sanction to the creation or filling up of particular appointments, the enactment of leave, pension or similar rules; (2) the revenues of any body which may be specially notified by the Government of India as such.	21	(a) Local Fund – When revenue derived from special sources is devoted to special objects, and not to the general purposes of administration, the revenue so devoted forms a "Local Fund." (b) An "Incorporated Local Fund" is a Local Fund the receipts of, and disbursements from, which are incorporated in the Public accounts.
